

F. COMMENTS BY THE PUBLIC ON NON-AGENDA ITEMS

- • Ken Owens, Christian Community Concerns, announced that the National Day of Prayer is May 3. He stated that prayer has been a significant part of American society from the founding of the country and invited everyone to attend this event to support civic leaders, the state, and the nation. He added that a committee headed by Ivan Suess, and joined by Council Member Howard, is coordinating the Leadership Prayer Breakfast on May 31.

G. PUBLIC HEARINGS

- G-1 Notice thereof having been published according to law, an affidavit of which publication is on file in the office of the City Clerk, Mayor Nakanishi called for the Public Hearing to adopt resolution accepting the Tecklenburg/Beckman Reorganization (LAFC 05-00) proposal to annex approximately 27 net acres to the City of Lodi with concurrent detachments from the Woodbridge Rural County Fire Protection District, Northern San Joaquin County Water Conservation District and Road District No. 4.

Community Development Director Bartlam reported that this property was first considered by Council in late 1999 and was approved by the Local Agency Formation Commission just over a year ago. The property is within the City's industrial eastside and is anticipated to be developed in the near future.

In response to Council Member Hitchcock, Mr. Bartlam explained that the property is designated as Unclassified Holding. For industrial development to occur a zoning change would have to be approved by Council, which allows for control over the property and ultimately the adjacent property as well. Mr. Bartlam reported that this is in anticipation of the City's new Zoning Code being completed. A new business park zone is being created that will have its own set of land use standards and permitted uses.
